## ALTERNATIVE EDUCATION ASSOCIATION OF MAINE

**REFLECT:** Our Spring Conference will be held once again at The Learning Center, the ALternative Education Program at Bonny Eagle High School. Our focus this year will be giving everyone a chance to Reflect on their programs as we move into next year. Building off last year's presentation of the [National Alternative Education Associations Exemplary Practices](#) - The morning will be guided activities to help you examine what you believe to be the most impactful practices and develop goals around them for the 2022-23 school year.

**RECHARGE:** The afternoon sessions will be focused on recharging your batteries after 2 years of the most difficult times most of us have ever experienced in education. We will be sharing successes and challenges we have faced. We know Alternative Educators often work in a vacuum in their schools, the time to come together and support each other has never been greater! As the song says: "We all need somebody to Lean On!" SEE YOU IN MAY!!

Tentative Format:

- Welcome Address
- Alternative Education National Standards Reflection and Goal Setting
- Problems/Dilemma's Conversation
- Success Sharing
- Wrap up/Prizes/Conference Evaluation
